

Cmpt 398 Brainstorming Ideas:

1. **Music Band App**
 - be able to stream music
2. **Saskatoon Restaurant / Bar App**
 - have all the different restaurants in Saskatoon organized into categories
 - have the restaurant and bars specials for each given day
 - have info on restaurants if they are vegan, vegetarian, gluten free, kid friendly, etc
 - have a randomize option that just picks one restaurant for you to try
 - Rating and Reviews
 -
3. **Tattoo Preview / Database App**
 - clients could preview tattoos on their bodies
4. **Event Finder App**
 - find events near you
 - based on general location
 - link to Facebook / social media

More Restaurant Brainstorming Features:

- Food type descriptions (costs, vegan, vegetarian, gluten free, etc)
 - up-to-date specials for bars and restaurants
 - select the radius of where you want the restaurants to be
 - try to integrate with google maps
 - rating and reviews
 - directions button
 - restaurant capacity
 - what restaurants make reservations (phone number)
 - food review, service review, surroundings review,
 - Menu options
- Planning to all make it to the tutorial on Wednesday to discuss app ideas further
